Meadows (bourhound.com): Top value!

„While the wood treatment and associated menthol character are not subtle they stop short of dominating the more elegant if otherwise similar nose. The mouth feel of the medium-bodied flavors is notably finer; indeed it's seductive, while offering more evident minerality on the ever-so-mildly austere, complex, balanced and impressively long finale. As it should be, given that the blend is from 5 different lers, this is a villages plus in terms of quality.”
